

SOME IMPORTANT REMINDERS

- Make sure all PE kit, clothing and equipment is named. Tags are best as they do not wash out.
- All shirts must be tucked in, except the white tailored blouse, when worn without a jumper.
- We ask that children do not wear hoodies but wear a suitable coat/jacket.
- Watches and small plain gold or silver ear studs (one stud per ear) are the only items of jewellery permitted. Neither should be worn for PE lessons. If studs cannot be removed tape or plasters must be brought from home and worn over them.
- Hair styles for both boys and girls are expected to be neat and **not in any fashion that will draw any undue attention to themselves**. Long hair, both boys and girls, should be tied back and kept off the face. Neutral, green or black hair ties should be worn as a discreet way of keeping hair tidy and presentable.
- Make up and nail varnish should **not** be worn in school.

* * *

- Children may use a drawstring bag to carry their books to lessons - all larger bags need to be kept in their allocated locker.
- Lost property is kept safe and may be looked for at break-times.
- Mobile phones and other pieces of equipment (e.g. iPods) are **not** allowed in school. If, in exceptional circumstances a mobile phone has to be brought into school, then it must be left at the school office for the day.

Governing Body Statement

“As a Governing Body we expect the school to ensure that the pupils are dressed according to the uniform and dress code that is clearly outlined in the school prospectus. Our belief is that this is a vital aspect of ensuring high standards of behaviour and discipline.

Parents sign up to a home-school agreement that states that they will ensure *their child wears the correct uniform*. We expect this to be complied with and ask that the school implements sanctions on those who choose to disregard this.”

Requests for alterations in uniform to meet individual religious, cultural or special needs will be given careful consideration.

Chair of Governors

Parents/Carers experiencing financial difficulties in equipping their child with the correct uniform should contact the school.
