Newsletter

Dear Parents / Carers

'Y4 to Y5' Newsletter

This email has been sent specifically to families whose child is the only, or one of very few, pupils coming from their current school to join Parkfields in September. Thank you to those who have already been in touch regarding your child.

I wanted to let you know that I will be contacting your child's current school to arrange a suitable time to visit them there. This will give me the chance to get to know them better in a familiar environment. I hope to complete these visits by the end of this half term, and I have already made contact with a few schools.

Additionally, I would like to offer you and your child the opportunity to visit Parkfields again during the school day. This would be a lovely chance for your child to meet some of the Year 5 team as well. It may also help ease any worries or anxieties about the transition. If you would like to arrange a visit, please email me and we can set up a convenient date and time.

At the end of May, I will be putting together the new form classes. If your child knows another child who will also be joining Parkfields, please let me know — I will do my best to place them together where possible.

In the meantime, please do not hesitate to contact me if you have any questions or concerns

Kindest regards

Steve Purdom

Head of Year 5
