

Walk to School Week is the annual five-day walking challenge and takes place 19-23 May 2025. This year's challenge will see pupils take on **The Great Space Walk**, encouraging them to travel actively to school every day of the week. Pupils will learn about the important reasons to walk or wheel and its benefits for individuals, communities and the planet! Mrs. Morley has managed to get some resources from CBC so that we can run the walk to school challenge next week with a prize for one person from each class. Good luck!
