

LO: To develop an understanding of L.S. Lowry's work.

Lesson 1:

- Watch the YouTube clip:

https://www.youtube.com/watch?v=SnRX6_Txpaw

What do you think of the art work?
Do your best to describe his work in
your own words.

- What are the pictures about? (the themes)
- What colours does he generally use?
- What sort of mood do the pictures express?
- How would you describe his art style?

Watch the next clip.....

- Watch it a second time and write notes about the things that you think are most important.
- (You may even need to watch it a third time)

Look at these paintings by Lowry. What do they have in common?

Think about colour

shapes

subjects

lines.....

LO: To develop an understanding of Lowry's work.

Lesson 2 & 3

L.S.Lowry

Write about Lowry in the top half.....

*..... (Use full sentences, with full stops, capital letters
Write in pencil, if possible, use plain paper.)*

~~~~~

*In the bottom half- Copy one of Lowry's pictures, in colour. Try to match it as closely as you can to his picture.*

SC: Split your page in half.

In the top half, write some information about Lowry including when and where he lived.

Write what you noticed about Lowry's paintings and drawings. Include information about what the pictures show, the shapes, the colours and the subjects of the pictures (themes).

In the bottom half, copy one of Lowry's pictures.

Over the next few lessons we will be learning how to draw one point perspective. Eventually we will be making a picture that will be inspired by Lowry's cityscape pictures.

- Lesson 4
- Watch the YouTube clip and have a go at drawing boxes, so that they look 3D, if possible use plain paper.

# Lesson 5, 6 and 7

## LO: To learn how to draw using One Point Perspective

1. Watch the YouTube clip
2. Get a sharp pencil a ruler and a rubber and a piece of paper (ideally plain paper)
3. Do what the clip tells you to do, you may need to stop it and start it many times.
4. Finish and add colour to the picture (water colours and water colour pencils work well, but you can use whatever you have available), you do not have to copy the detail but can make it your own picture towards the end, e.g. change the shop signs, the radio active goo, the whale!
