

Year 8 Music-wb 6th July 2020

Music study at home for week of 6th July

As a final piece of information for me to pass onto your next schools I would like you to create a personal statement about you and music.

It could be as simple as a paragraph which talks about your interests and experiences of music at Parkfields .

You could create a Music Passport where you describe yourself as a musician and make entries showing your experiences of music.
