

Year 7 Music-wb 6th July 2020

Film Music Listening to music from the Science Fiction Genre.

As preparation for music at the start of September I would like you to listen and watch a short You Tube clip about music written by the composer John Williams. (Whilst he has written the soundtracks for many action/adventure series of films as well as other pieces he is perhaps best known for the Star Wars films) <https://www.youtube.com/watch?v=2sJQC3DpMDk>

Choose two of your favourite clips and write a brief description of each using musical key vocabulary.
