

Y7 Geography

Week beginning 13th July 2020

LO: To develop mapping skills

Task: Learn about different mapping skills in Geography and create your own choropleth map showing the population of Africa.

1. Work your way through the BBC Bitesize lesson on mapping skills: <https://www.bbc.co.uk/bitesize/guides/z2qpg82/revision/1>
2. Complete the population in Africa task to create a choropleth map.
3. Complete the analysis exercise on page three of the task.
